HE TAKES EXCEPTION

Legislator Beckley To
Health Board.

ELECTED FROM MOLOKAI

He Says He Has a Right To Visit
His Constituents at the
Settlement.

Representative-elect Fred W. Beckley of the Third district, including the island of Molokai, addressed a letter to the Board of Health yesterday in which he took exception to the communication of President Raymond to him, denying him the privilege of visiting the Leper Settlement in order to ascertain what the lepers desired of the Legislature. His letter was as follows:

Your letter of the 5th instant replying to my request for permission to go to the Leper Settlement in the interests of my constituents, is to hand, and I beg to reply as follows:

I am well aware of the action on the part of former Legislatures as to the Leper Settlement, and, like yourself, believe the custom established in the past will be the course pursued by the incoming Legislature. This, however, does not in any way detract from the desirability of a prior visit by those parties directly representing the Settlement.

As to your assumption that none but persons invited to the semi-annual excursion of the Board are allowed at the Settlement, I suggest that you look through the records of permits to go to or come from the Settlement for the past six months.

Like the Board, I am not disposed to be unfair, but under a constitutional form of government my sense of fairness must have its test of seeking to create right conditions for those to whom I owe my election to the Legislature.

In view of the conditions and customs heretofore in vogue relative to visits at the Settlement, I respectfully demand and take exceptions on this matter to the findings of the Board over which you preside.

Very respectfully yours,
F. W. BECKLEY,
Representative-elect Third District.

Attorney General Dole stated that the lepers were isolated there for public safety and for no other reason. "If," said he, "these visits referred to by Mr. Beckley in any way endangered the public safety, I think they ought to be denied. In view of the fact that Mr. Beckley states he is aware of the customs of former Legislatures, I do not see that he has any more claim than former applicants. Mr. Beckley called upon me to ask if he did not have a perfect right to go there."

Secretary Wilcox said that no permits had been issued since the last visit of the board. Under the circumstances the board did not see that an answer to Mr. Beckley's letter was necessary and the matter was dropped.

BOTH SIDES HAVE AGREED ON JUDGE

First Circuit Court To Hear
Case Against J. Alfred
Magoon.

Wade Warren Thayer, attorney for plaintiffs, and Magoon, Thompson & Peters, for defendant in the matter of Aleka Alina, Ah Su Alina, Nellie Pohaku and Loke Pohaku vs. J. A. Magoon, administrator with the will annexed of the estate of Alina, deceased, have stipulated that the First Judge of the Circuit Court, shall hear the action. Both sides expressly waive any and all objections as to the qualification of the said Judge to hear the matter. The defendant has also filed a demurrer to the plaintiff's bill on the ground that it does not state facts sufficient to constitute a cause of action. The plaintiffs charge Magoon, as administrator of their father's estate, with fraud.

The First Circuit Judge at chambers yesterday disposed of the following probate matters: Petition of Kaimiwalai Kama, to be appointed administrator of the estate of Manuahi Kaueolawai, deceased, was dismissed. Haili, the widow, had intervened in the matter, and stated that if any one was appointed administrator, she should be selected.

Wm. G. Forbes was appointed master to examine the accounts of J. A. Magoon, administrator with the will annexed of Alina (ch.), deceased. The heirs requested an accounting last week, none having been presented to the court since Magoon was appointed administrator, more than nine years ago. Suit was also brought against Magoon, claiming him with fraud in connection with certain real estate formerly belonging to Alina's widow, which is now in the possession of Magoon.

W. O. Smith was appointed guardian of the person and estate of the minor child of J. J. Kahaulelo.

Report of the master in the accounts of the executrix under the will of J. H. Bruns, deceased, was confirmed and approved, and the accounts of the executrix, as amended, were allowed, and she discharged from further responsibility.

Miss Christian Hutchison was appointed administratrix de bonis non of the estate of Ferdinand W. Hutchison, deceased. C. T. Gulick was formerly administrator, but died before completing the administration of the estate.

William Dudley Hunt, who died on January 4, left many heirs to claim his estate, valued at \$4,000. They are Becky A. Hunt, his widow; Edward Kumukoa Hunt, Alfred Hunt, sons; Julia K. Hunt, step-daughter; Mrs. Carrie Bush, niece; all of whom with the exception of the niece, are named as devisees and legatees, and Becky Hunt as executrix. The latter has petitioned to be appointed as executrix. The case will be heard on Monday, February 11, at 10 a. m.

M. G. Silva was appointed administrator of the estate of Joseph da Costa, deceased, under a \$2,000 bond, and must file an inventory of the estate within fifteen days.

In the Supreme Court yesterday the cases of Berger vs. Booth and estate of Lazarus were argued and submitted.
